

3D Pop Out Card Kits

Fabulous keepsake cards that are simple to make but look so stunning when made up and will WOW the recipient.

For best results print sheets 1 to 4 onto photo paper or good quality cardstock

3D Pop Out Card Kits

Before cutting out score each of the fold lines where marked on the 3 panels, card back and pop out panels.

Also before cutting out extend the cutting lines at the top and bottom of each of the 3 panels to the edge of the cardstock.

Cut out all the pieces, Cutting to the edge of the cardstock of the 3 panels

Cut out, score, fold and crease the pop out panels.

3D Pop Out Card Kits

Cut the white folded top-edges of the panels at an angle

When opened out it will look like this.

Take the back piece of your card and turn over. Fold and crease along each of the the score lines

Add double sided tape to the top where shown at the top

and also on the small folded edge at the bottom

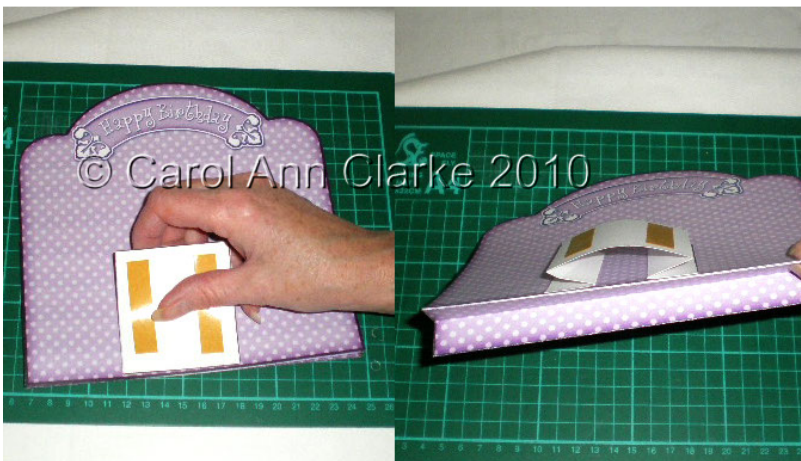

3D Pop Out Card Kits

Take the card front, line up and attach the top of the card front to the card back.

Open up, peel back the double sided tape at the bottom, line up the bottoms and stick down.

Attach the largest pop up panel to the bottom of the card with double sided tape. Position it in approx the centre just above the bottom of the card. Add double sided tape to the top of the panel but do not remove the release paper yet.

Fold and crease the sides of the panels and using double sided tape line up and attach to one side of the card front.

3D Pop Out Card Kits

Open up and remove the backing from the double sided tape.

Fold the panel over and making sure the edges are lined up attach to the pop up panel

Remove the backing from the double sided tape on the last flap and lining up the edges stick into place
