

Winter Seasonal Card with multiple sentiments

Assembly Instruction - The files are for 12 x 12 mats

There are multiple layers:

- 1.) 5 x 7 folded card base
- 2.) 4.25 x 6.75 star topper
- 3.) 4.4706 x 6.4609 element base topper
- 4.) Frame & oval metallic accents
- 5.) Elements and sentiments

The layers are added to the 5 x 7 card in the above order when using metallic accent.

Please note the metallic accents are one continuous piece. The rectangle piece will need to be trimmed to the openings.

If using the foiling method please follow your machines instruction and foil or print before cutting the element base topper.

6 sentiments are given. This has been tested for printing and cutting from vinyl.
