

Pyramid Card Instructions

Cup207534 and cup207532

Assemble all materials:
Sheet you want to make
Scissors to your liking
Double sided foamy pads and tape or glue
Corner punch peel offs and other decorations you desire

Cut out all parts of the sheet you want to use for your card and matching card stock.
Add double sided foamy pads or what ever you prefer.

Assemble all parts of the pyramid and attached it to the matching background and card stock.

Below is the Finished card in two ways with the background sheet and with peel offs.
