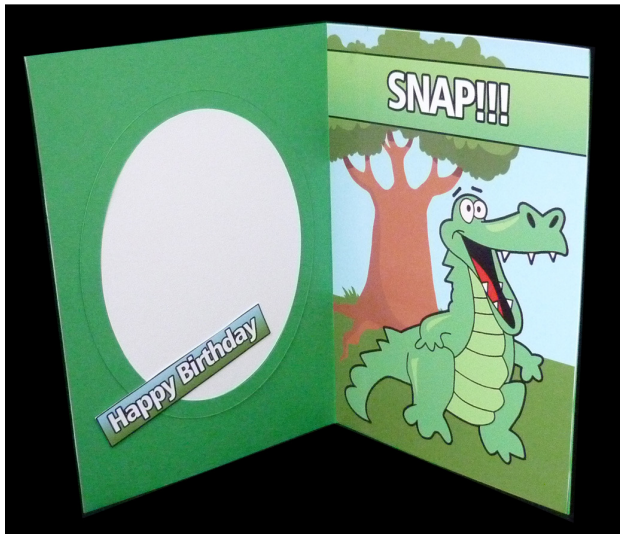
“Joke Card” Instructions

From www.craftsuprint.com, written by Sarah Edwards



1. Print the sheet onto card or photo paper
2. Cut out all of the elements on the sheet
3. Stick the joke “question” to the front of an A6 card
4. Stick the joke “answer” to the inside right of an A6 card
5. Decoupage the layers on the joke “question”
6. *(optional)* Decorate the inside left of your card so that a message to the recipient can be added
