to back through both holes as shown

Leaving enough ribbon
to hold the legs
in correct position
cross over and
secure with tape or foam pad
5 add sentiment
tag

Turn card to face you 6
lie greeting face down
under line of ribbon
add foam pads where marked
with Aon above photo

add large foam pad
to centre top of back
of picture topper
and place on card where shown
7

Finished card

Finish by adding greeting
just overlap picture frame
8 to hold in place

some of these cards
are made using the wonderful
artwork of my sister Sally Burden
my thanks to her
