

Flap Card Instructions – designer Lynne Crosskill

1. Print out all pieces on good quality cardstock or photo paper.
2. Score & fold on solid lines.
3. Glue to Flap to the reverse of Inside Card Panel
4. Glue the Outside Panel to the reverse of the Inside Card Panel
5. I used 3d foam tabs to stick one side of the Circular scene to the front of the card.
6. Tuck the Flap under and you are all set.
7. Make us the matching envelope and the card is ready for the mail.

There is a blank section on the inside of the card for you to write your own personal verse and sentiments.
