

Zodiac Star Signs  
designed by Joan King for  
[www.craftsuprint.com](http://www.craftsuprint.com)

1. Print onto gloss or matt photo paper
2. Cut out all the elements and place the main design onto an A5 card of your choice using double sided tape.
3. Use either foam mounts or silicone glue to attach the decoupage elements.
4. There are matching inserts for every male and female design which can be placed inside your card using double sided tape. You can then write your own message for whatever occasion you wish.
5. To finish off your card you can embellish as you wish.
